ENGLISH PACKAGE PROGRAMME (1-3 MONTHS)

Category Package: **LAC**

The program is divided into seven levels, starting from the Starter Level for participants with little to no English proficiency, and progressing to advanced levels. Each level focuses on the four key language skills: reading, writing, speaking, and listening, with grammar integrated throughout Levels 1 to 6.

Participants are placed in small classes to support effective learning and active participation. They also take part in workshops and group activities with both local and international peers. These activities are designed to help participants develop important soft skills such as intercultural communication, teamwork, and adaptability, while learning to interact respectfully and effectively with people from different backgrounds.

ACTIVITIES

Participants will engage in:

- Visits to interesting places in Malaysia
- The discovery of Malaysia's diverse and delicious cuisine

LEARNING SCOPE

Upon completion of the programme, participants will be able to:

- Converse in English more confidently as the programme also Includes Reading, Writing, Listening and Speaking
- Interact and make friends from many countries and learn different cultures

A JOURNEY OF LANGUAGE, CULTURE AND RESEARCH @ USM

Category Package: **LAC**

This programme introduces participants to the study of multiple languages within Malaysia's rich multicultural context. Through interactive sessions, participants explore the nation's diverse linguistic landscape while gaining insights into its vibrant cultural heritage. The programme fosters a deeper understanding of Malaysia's multilingual society, equipping participants with foundational knowledge and practical skills in key local languages. It also promotes cross-cultural appreciation and respect through language practice and cultural exchange.

By navigating Malaysia's unique blend of cultures, participants develop greater global awareness and intercultural communication skills, enhancing both personal growth and future professional opportunities in increasingly diverse and connected environments.

ACTIVITIES

Participants will engage in:

- The Malay and English languages in lectures
- Traditional Malay dance
- Batik canting (traditional Malaysian textile art)
- Interactive cultural games
- Structured interaction sessions with USM buddies

LEARNING SCOPE

Upon completion of the programme, participants will be able to:

- Demonstrate deeper understanding of the Malay and English languages within their cultural contexts
- Appreciate and recognize the significance of traditional Malay dance and textile art
- Engage confidently in cross-cultural interactions and discussions
- Apply insights gained from interactive cultural activities in real-world settings
- Build meaningful connections with peers from diverse backgrounds
